SECTION 2. TERM OF AGREEMENT

The Term of this Agreement shall be 12 months from the Effective Date of this Agreement (“Initial Term”). Upon expiration of a Term, the Term shall automatically renew under the same terms and conditions for additional subsequent 12 month term (“Renewal Term”), unless terminated under the terms of this Agreement or by otherwise giving the other party no less than 30 days of written notice prior to the last day of the then-current Term.

SECTION 3. WORK ORDERS

CREATION OF WORK ORDERS. The parties may, from time to time, work together to detail the specific engagement scope, pricing, acceptance criteria, and terms of services to be performed and Deliverables to be delivered by ImageTrend. ImageTrend will set forth these details as a Work Order. If the Work Order is for the purchase of COTS Software, the Work Order shall also outline the quantity and SKU of

each product or service as applicable. Should a Work Order contain no term regarding a topic, the terms of this Master Software and Services Agreement shall hold instead.

LIMITATIONS OF WORK ORDERS. Work Orders may include requirements on the Client. Such requirements, when executed as part of a mutual agreed writing, form a material part of this Agreement and of the Work Order where the requirement is presented. Additionally, either party may set forth factual assumptions (“Assumption”) in each Work Order. Notwithstanding anything in this Agreement or the Work Order, a Work Order will be rendered void to the extent that ImageTrend is obligated to perform services which are impossible or impracticable. Further, a Work Order will be rendered voidable to the extent that ImageTrend is obligated to perform services materially different than originally set out in that Work Order due to an inaccurate Assumption. The parties will make commercially reasonable efforts to negotiate an alternative or modified Work Order in light of the inaccurate Assumption.

MODIFICATION OF WORK ORDERS. Any modification to the scope or tasks identified within the Work Order that change the work budget by an estimated 10 hours of work or more shall require a new modified written Work Order or written Change Order. ImageTrend shall not work on the new tasks in the modified Work Order until the Client has provided signed written acceptance of the new Work Order. The parties may waive this requirement on a case-by-case basis in writing. Modifications requiring less than an estimated 10 hours of work may be proposed and accepted verbally, with such modifications requiring less than 10 hours of work billed on a Time and Materials basis.

FEE MODEL. The Work Order will contain fee and payment terms. The following fee models are contemplated:

Model Name	Definition
Fixed Fee	ImageTrend shall perform the work outlined in the Work Order for a fixed flat fee, plus Expenses. The Fixed Fee is exclusive of Expenses unless the Work Order outlines the Expenses. The Fixed Fee model may include milestone payments, with such milestone payments outlined in the Work Order.
Time and Materials	ImageTrend shall perform the work outlined in the Work Order on a Time and Materials basis, at the rate(s) specified in the Work Order.

LEGAL EFFECT. Work Orders issued under this Master Services Agreement are incorporated by reference into this Master Services Agreement which collectively is called “the Agreement.” Work Orders do not override the terms of this Master Services Agreement unless specifically stated that they do so. Work Orders may contain their own Fee/Payment Schedules and Payment Terms; those terms are binding insofar as they concern the services or Deliverables contemplated by the Work Order. For Work Orders without their own fee and payment terms, the payment terms in the Price Sheet and Work Order Attachment below control.

CUSTOMIZED SOFTWARE DEVELOPMENT. The parties may mutually agree to a Work Order also known as a Statement of Work for the development of new or custom software, also known as “Modified Off The Shelf” or MOTS. All normal requirements of the Work Order shall apply, but additionally the parties must work together to mutually define a Statement of Work which outlines the tasks, and their timelines, to be undertaken as part of the project. Any Customized Software or MOTS Software developed under this Agreement will be Intellectual Property owned by ImageTrend. Should Client

desire ownership of any Intellectual Property developed by ImageTrend, this must be embodied by a separate, mutually executed contract. For clarity, Client shall not and will not own any ImageTrend Intellectual Property under any circumstance under this Agreement. Client may only receive a license thereto as outlined in each Work Order.

SECTION 4. PERFORMANCE OF SERVICES

COMMENCEMENT. ImageTrend shall begin services described in the Work Order subsequent mutual signed execution the Work Order. No services shall begin before mutual signed and written final acceptance of each Work Order.

USE OF KNOW HOW. ImageTrend shall use its know-how, Intellectual Property, talent, skills, and employees to perform the services. Client shall conditionally receive a license to any and all pre-existing ImageTrend Intellectual Property and Know-How used in the creation of Deliverables and delivery of services as outlined below in §6 “Licensing and Intellectual Property” and the Software Licensing Terms Attachment.

MATERIALS. Materials (including, but not limited to, third party software licenses, physical hardware, test devices, or other items and any other Material) that will be used in the development of the Software will be identified by ImageTrend to Client. ImageTrend shall acquire such Materials as the parties mutually agree should be acquired, and it shall be the Client’s responsibility to pay for those materials.

ACCEPTANCE OF SERVICES AND DELIVERABLES. ImageTrend shall deliver completed Deliverables and services to Client for acceptance. Each Work Order must detail the acceptance criteria for each Deliverable or service contained within that Work Order. If a Deliverable or services acceptance criteria is measurable objectively, it shall be complete upon satisfaction of that objective measurement without regard to either party’s satisfaction with the Deliverable. If 1) a Deliverable’s acceptance criteria is based on Client’s satisfaction with the Deliverable, or 2) no acceptance criteria is detailed, then the following default clause shall apply:

After delivery of the Deliverable or performance of the service, Client shall have no more than 15 days to: 1) accept the deliverable or service, or 2) reject the deliverable or service by providing a written rejection that reasonably sets forth the reason for the rejection and the changes required to gain Client’s acceptance, or 3) provide a written request for a 15 additional day extension to review the Deliverable or service; ImageTrend shall not unreasonably withhold approval of such 15 day extension. If Client does not provide an acceptance within the above time frame inclusive of extensions, the Deliverable or service will be deemed accepted. After delivery of the fourth revision of the service or Deliverable, the service or Deliverable shall be deemed accepted by Client.

SECTION 5. FEES, INVOICING, AND PAYMENT TERMS

PROMPT PAYMENT ACTS. IF CLIENT IS A GOVERNMENTAL ENTITY, THE FOLLOWING PARAGRAPH APPLIES: To the degree any term in this Section 5, or any payment related term in any Work Order,

conflicts with the governing prompt payment act or similar procurement act which unambiguously limits client's ability to agree or comply with any term in this section 5 or in any payment related term in any work order ("The PPA"), the term in the PPA will instead control. For clarity, unless there is an unambiguous conflict between the terms of this Section 5 or in any Work Order, the PPA shall not control and this Agreement shall still control.

FEES. Client shall owe to ImageTrend such fees as set forth in each mutually executed Work Order.

SCHEDULING NON-LOCAL TRAVEL. For air travel Client may, and is strongly advised to, schedule travel no less than 3 weeks in advance of the first on-site date by written request; ImageTrend reserves the right to approve or deny travel requests on a per-request basis. Client may also request travel by writing with 3 weeks or less advance notice; ImageTrend reserves the right to approve or deny such travel requests, and to invoice costs to Client due to scheduling changes ImageTrend must make to accommodate such a request if approved.

CANCELLATION, RESCHEDULE, OR DELAY. Client will provide to ImageTrend (10) ten business days prior written notice of Client's intent to delay, reschedule, or cancel ("Staffing Change") any service in a Work Order which requires an ImageTrend employee to perform work at a specific location or at a specific time (e.g. face-to-face meetings, on-site visits, after hours on-call status). If Client fails to provide such notice, Client shall reimburse ImageTrend for loss caused by the Staffing Change. ImageTrend shall use commercially reasonable efforts to mitigate any losses that would be incurred by a Staffing Change and due to ImageTrend by Client.

INVOICING. Unless otherwise specified in a Work Order, invoices must be paid on Net 30 terms. Any objection to an invoice must be made in writing. Client may request up to an additional 15 days to review Deliverables associated with an invoice, approval to which ImageTrend shall not unreasonably withhold. If Client does not object to an invoice, or request an extension to review Deliverables, within 15 days after receipt of the invoice then the invoice is deemed accepted and any right to object to the invoice is waived. Payment shall be made by check or by ACH transfer to ImageTrend.

REMEDIES FOR NON-PAYMENT. Should Client fail to pay per the terms of this Agreement and this Section 5, ImageTrend may 1) suspend services under all Work Orders until such payment is made in full, and/or 2) charge a late fee at the lesser of 1.5% or the maximum allowed by law, and/or 3) invoice Client for the costs of collection including reasonable attorney's fees.

TRAVEL COSTS. Should Client desire ImageTrend to send personnel to a location of Client's choosing in the continental United States, Client may pay \$1,800 per ImageTrend trainer per trip and a further \$1,750 per trainer per day spent at Client's chosen location. Travel outside of the continental US will be quoted by ImageTrend upon request. Travel may only be scheduled for a maximum of one business week of Monday through Friday per trip; however Client may book consecutive trips. Non-local travel scheduling which runs from one business week into a subsequent business week(s) (e.g. start date on Friday at 8:00am, end date Wednesday at 5:00pm, "Overlapped Weekend") will result in ImageTrend invoicing Client an additional trip for each Overlapped Weekend. ImageTrend staff will work 8 hours

each day, except on the first and last day of each trip ImageTrend may reserve up to 2 hours of the Business Day for travel time.

TIME AND MATERIALS RATE. Unless otherwise specified in a Work Order, ImageTrend’s Time and Materials rate is \$225.00 per hour.

PRICE ESCALATION. ImageTrend reserves the right to escalate the prices contained herein, and any recurring fee, by no more than 5 % of the then current price for each anniversary of the Effective Date beginning on 2/13/2024. ImageTrend further reserves the right to escalate travel prices once per year upon written notice to Client. Such travel price increases will only affect future travel prices and will not change the price or amount due to ImageTrend for previously rendered travel.

SECTION 6. DATA AND INTELLECTUAL PROPERTY

CLIENT DATA. All Client data provided to ImageTrend remains at all times the property of the Client unless otherwise specified by a Work Order. ImageTrend will not to use or make available any personally identifiable information or patient health information other than for performing the services outlined in a Work Order, and for use in an aggregated manner to monitor, operate, train artificial intelligence, and conduct statistical analyses relevant to the application’s proper functioning, maintenance, optimization, or improvement. ImageTrend will not in any way transfer to any third party any Confidential Information of Client.

DE-IDENTIFICATION. ImageTrend shall not attempt to re-identify any de-identified records.

GRANT OF LICENSE TO IMAGETREND’S PRE-EXISTING IP AND OWNERSHIP OF NEW IP. All Intellectual Property Rights connected to the ImageTrend pre-existing materials such as architectural structure, modules, processes, and Know-How that may be used in Deliverables (“Pre-existing IP”), shall remain owned by ImageTrend. ImageTrend agrees to grant to Client a royalty-free, worldwide, transferable, non-exclusive, use license for these architectural structures, modules, and processes that may be used solely in conjunction with the Deliverables and services performed under Work Orders and in accordance with the license selected below in the Software Licensing terms Attachment, conditioned upon full payment of the Work Order from which the Deliverable containing Pre-Existing IP originates. This license may not be transferred, and Client may not sublicense, use, reproduce, distribute or prepare derivative works of ImageTrend’s Pre-Existing IP except to the extent strictly necessary to fulfill the purpose of a Work Order. New Deliverables utilizing the same Pre-Existing IP may require another

EACH PARTY'S CUMULATIVE LIABILITY ARISING OUT OF OR IN ANY MANNER RELATED TO THIS SHALL BE LIMITED TO THE AMOUNT OF THE FEES DUE UNDER THIS AGREEMENT.

SECTION 10. DISPUTE RESOLUTION

DUTY TO NEGOTIATE IN GOOD FAITH PRIOR TO FORMAL DISPUTES. IF CLIENT IS A GOVERNMENTAL ENTITY, THE FOLLOWING 2 PARAGRAPHS APPLY:

The parties shall attempt in good faith to resolve any dispute arising out of or relating to this agreement promptly by negotiation between executives who have authority to settle the controversy and who are at a higher level of management than the persons with direct responsibility for administration of this agreement. Any party may give the other party written notice of any dispute not resolved in the normal course of business. Within 15 days after delivery of the notice, the receiving party shall submit to the other a written response. The notice and response shall include with reasonable particularity (a) a statement of each party's position and a summary of arguments supporting that position, and (b) the name and title of the executive who will represent that party and of any other person who will accompany the executive. Each Work Order for the sale of Software Licenses shall outline which of the below licenses are being granted by the Work Order. The license selection will be evidenced by the title of each SKU in the Work Order, e.g. “Elite EMS SaaS” shall be licensed under the Software as a Service License below. If the license is not apparent by the name of the SKU, then the license shall default to Software as a Service. ImageTrend may discontinue or replace a license in this table by providing Client reasonable written notice of the change. Replacing this table shall not have the effect of revoking previously agreed licenses, rather, ImageTrend’s right to replace this table shall apply to only future Work Orders.

Upon termination of this Agreement for any reason, Client may request ImageTrend provide to Client a

MILESTONE 2

Go Live. The parties understand that while the system can be infinitely configured and refined, that the software system must reach a level of readiness and it must “go-live” for usage by the end-users in its intended use cases. Client may desire staged roll out of different features or products for large implementations, or Client may desire to have all functions go live all at once. In the interest of defining a fair and objective measurement point, this Go Live Milestone will be complete when the Client's Software system processes, receives, transmits, generates, or otherwise interacts with the first non-test data record, excluding non-test data which is migrated on a one-time basis from another system.

Availability Objective: ImageTrend will provide 99.5% Availability (as defined below) for the ImageTrend network services within ImageTrend's Immediate Control. For purposes, hereof, "Availability" or "Available" means the ImageTrend Services are available for access and use through the Internet.

"Immediate Control" includes ImageTrend's network services within the ImageTrend data center which extends to, includes and terminates at the Internet Service Provider ("ISP") circuit termination point on the router in ImageTrend's data center (*i.e.*, public Internet connectivity).

Specifically excluded from the definition of "Immediate Control" are the following:

- a. Equipment, data, materials, software, hardware, services and/or facilities provided by or on behalf of Client or a third-party entity (or any of their vendors or service providers) and Client's or a third party entity's network services or end-user hardware.
- b. Acts or omissions of Client, their employees, contractors, agents or representatives, third party vendors or service providers or anyone gaining access to the ImageTrend Services at the request of Client.

- d. Delays or failures due to circumstances beyond ImageTrend's reasonable control that could not be avoided by its exercise of due care.
- e. Any outage, network unavailability or downtime outside the ImageTrend data center.

Availability Calculation: Availability is based on a monthly calculation. The calculation will be as follows: $((a - b) / a) \times 100$, where "a" is the total number of hours in a given calendar month, excluding Scheduled Maintenance (as defined below), and "b" is the total number of hours that service is not Available in a given month.

Offline Capability: The Software may have offline capability which provides redundancy when network or server back-end capability is not available. Periods of time when the Software's primary functions continue to function offline shall be excluded from the unavailability calculation "b" above.

Scheduled Maintenance: ImageTrend conducts scheduled maintenance, as necessary, every last Wednesday of the month. ImageTrend will perform scheduled maintenance within that maintenance window between the hours of 9:00 p.m. CST to 11:00 p.m. CST. ImageTrend may change the regularly scheduled maintenance window from time to time at ImageTrend's discretion upon reasonable notice to Client.

Service Disruption: Upon customer's written notice to ImageTrend, if Availability for the month is below the guaranteed level, ImageTrend will issue a credit to customer in accordance with the schedule below:

Availability: 99.0% - 99.5% = 5% of monthly hosting fee credited
95.0% - 98.99% = 10% of monthly hosting fee credited
90.0% - 94.99% = 15% of monthly hosting fee credited
89.99% or below = 2.5% for every 1% of lost Availability (in no event exceeding 50% of monthly hosting fees)

ImageTrend maintains precise and objective Availability metrics, which shall be determinative when calculating any customer requested credit. ImageTrend maintained Availability metrics shall only be requested in good faith to address material customer concerns. To receive a credit, customers must specifically request it during the month following the month for which the credit is requested. Credits shall not be issued if a customer account is past due, suspended or pending suspension.

6. General

BUSINESS ASSOCIATE AGREEMENT ATTACHMENT

This Business Associate Agreement (“Agreement”) dated 02/06/2023 (the “Effective Date”), is entered into by and between **North Summit Fire District** located at 86 E. Center Street, Coalville, UT 84017 (the “Covered Entity”) and ImageTrend, Inc. a Minnesota corporation (the “Business Associate”).

WHEREAS, Covered Entity (also referred to as “Client”) and Business Associate have entered into, or are entering into, or may subsequently enter into, agreements or other documented arrangements (collectively, the “Business Arrangements”) pursuant to which Business Associate may provide products and/or services for Covered Entity that require Business Associate to access, create and use health information that is protected by state and/or federal law; and

WHEREAS, pursuant to the Administrative Simplification provisions of the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), the U.S. Department of Health & Human Services (“HHS”) promulgated the Standards for Privacy of Individually Identifiable Health Information (the “Privacy Standards”), at 45 C.F.R. Parts 160 and 164, requiring certain individuals and entities subject to the Privacy Standards (each a “Covered Entity”, or collectively, “Covered Entities”) to protect the privacy of certain individually identifiable health information (“Protected Health Information”, or “PHI”); and

WHEREAS, pursuant to HIPAA, HHS has issued the Security Standards (the “Security Standards”), at 45 C.F.R. Parts 160, 162 and 164, for the protection of electronic protected health information (“E PHI”); and

WHEREAS, in order to protect the privacy and security of PHI, including E PHI, created or maintained by or on behalf of the Covered Entity, the Privacy Standards and Security Standards require a Covered Entity to enter into a “business associate agreement” with certain individuals and entities providing services for or on behalf of the Covered Entity if such services require the use or disclosure of PHI or E PHI; and

WHEREAS, on February 17, 2009, the federal Health Information Technology for Economic and Clinical Health Act was signed into law (the “HITECH Act”), and the HITECH Act imposes certain privacy and security obligations on Covered Entities in addition to the obligations created by the Privacy Standards and Security Standards; and

WHEREAS, the HITECH Act revises many of the requirements of the Privacy Standards and Security Standards concerning the confidentiality of PHI and E PHI, including extending certain HIPAA and HITECH Act requirements directly to business associates; and

WHEREAS, Business Associate and Covered Entity desire to enter into this Business Associate Agreement;

NOW THEREFORE, in consideration of the mutual promises set forth in this Agreement and the Business Arrangements, and other good and valuable consideration, the sufficiency and receipt of which are hereby severally acknowledged, the parties agree as follows:

1. **Business Associate Obligations.** Business Associate may receive from Covered Entity, or create or receive on behalf of Covered Entity, health information that is protected under applicable state and/or federal law, including without limitation, PHI and E PHI. All capitalized terms not

otherwise defined in this Agreement shall have the meanings set forth in the Privacy Standards, Security Standards or the HITECH Act, as applicable (collectively referred to hereinafter as the “Confidentiality Requirements”). All references to PHI herein shall be construed to include EPHI. Business Associate agrees not to use or disclose (or permit the use or disclosure of) PHI in a manner that would violate the Confidentiality Requirements if the PHI were used or disclosed by Covered Entity in the same manner.

2. **Use of PHI.** Except as otherwise required by law, Business Associate shall use PHI in compliance with 45 C.F.R. § 164.504(e). Furthermore, Business Associate shall use PHI (i) solely for Covered Entity’s benefit and only for the purpose of performing services for Covered Entity as such services are defined in Business Arrangements, and (ii) as necessary for the proper management and administration of the Business Associate or to carry out its legal responsibilities, provided that such uses are permitted under federal and state law. Covered Entity shall retain all rights in the PHI not granted herein.
3. **Disclosure of PHI.** Subject to any limitations in this Agreement, Business Associate may disclose PHI to any third party persons or entities as necessary to perform its obligations under the Business Arrangement and as permitted or required by applicable federal or state law. Further, Business Associate may disclose PHI for the proper management and administration of the Business Associate, provided that (i) such disclosures are required by law, or (ii) Business Associate: (a) obtains reasonable assurances from any third party to whom the information is disclosed that it will be held confidential and further used and disclosed only as required by law or for the purpose for which it was disclosed to the third party; (b) requires the third party to agree to immediately notify Business Associate of any instances of which it is aware that PHI is being used or disclosed for a purpose that is not otherwise provided for in this Agreement or for a purpose not expressly permitted by the Confidentiality Requirements. Additionally, Business Associate shall ensure that all disclosures of PHI by Business Associate and the third party comply with the principle of “minimum necessary use and disclosure,” i.e., only the minimum PHI that is necessary to accomplish the intended purpose may be disclosed; provided further, Business Associate shall comply with Section 13405(b) of the HITECH Act, and any regulations or guidance issued by HHS concerning such provision, regarding the minimum necessary standard and the use and disclosure (if applicable) of Limited Data Sets. If Business Associate discloses PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity, to agents, including a subcontractor (collectively, “Recipients”), Business Associate shall require Recipients to agree in writing to the same restrictions and conditions that apply to the Business Associate under this Agreement. Business Associate shall report to Covered Entity any use or disclosure of PHI not permitted by this Agreement, of which it becomes aware, such report to be made within three (3) business days of the Business Associate becoming aware of such use or disclosure. In addition to Business Associate’s obligations under Section 9, Business Associate agrees to mitigate, to the extent practical and unless otherwise requested by Covered Entity in writing or as directed by or as a result of a request by Covered Entity to disclose to Recipients, any harmful effect that is known to Business Associate and is the result of a use or disclosure of PHI by Business Associate or Recipients in violation of this Agreement.
4. **Individual Rights Regarding Designated Record Sets.** If Business Associate maintains a Designated Record Set on behalf of Covered Entity, Business Associate shall (i) provide access to, and permit inspection and copying of, PHI by Covered Entity or, as directed by Covered Entity,

an individual who is the subject of the PHI under conditions and limitations required under 45 CFR §164.524, as it may be amended from time to time, and (ii) amend PHI maintained by Business Associate as requested by Covered Entity. Business Associate shall respond to any request from Covered Entity for access by an individual within five (5) days of such request and shall make any amendment requested by Covered Entity within ten (10) days of such request. Any information requested under this Section 4 shall be provided in the form or format requested, if it is readily producible in such form or format. Business Associate may charge a reasonable fee based upon the Business Associate's labor costs in responding to a request for electronic information (or a cost-based fee for the production of non-electronic media copies). Covered Entity shall determine whether a denial is appropriate or an exception applies. Business Associate shall notify Covered Entity within five (5) days of receipt of any request for access or amendment by an individual. Covered Entity shall determine whether to grant or deny any access or amendment requested by the individual. Business Associate shall have a process in place for requests for amendments and for appending such requests to the Designated Record Set, as requested by Covered Entity.

5. **Accounting of Disclosures.** Business Associate shall make available to Covered Entity in response to a request from an individual, information required for an accounting of disclosures of PHI with respect to the individual in accordance with 45 CFR §164.528, as amended by Section 13405(c) of the HITECH Act and any related regulations or guidance issued by HHS in accordance with such provision. Business Associate shall provide to Covered Entity such information necessary to provide an accounting within thirty (30) days of Covered Entity's request or such shorter time as may be required by state or federal law. Such accounting must be provided without cost to the individual or to Covered Entity if it is the first accounting requested by an individual within any twelve (12) month period. For subsequent accountings within a twelve (12) month period, Business Associate may charge a reasonable fee based upon the Business Associate's labor costs in responding to a request for electronic information (or a cost-based fee for the production of non-electronic media copies) so long as Business Associate informs the Covered Entity and the Covered Entity informs the individual in advance of the fee, and the individual is afforded an opportunity to withdraw or modify the request. Such accounting obligations shall survive termination of this Agreement and shall continue as long as Business Associate maintains PHI.
6. **Withdrawal of Authorization.** If the use or disclosure of PHI in this Agreement is based upon an individual's specific authorization for the use of his or her PHI, and (i) the individual revokes such authorization in writing, (ii) the effective date of such authorization has expired, or (iii) the consent or authorization is found to be defective in any manner that renders it invalid, Business Associate agrees, if it has notice of such revocation or invalidity, to cease the use and disclosure of any such individual's PHI except to the extent it has relied on such use or disclosure, or where an exception under the Confidentiality Requirements expressly applies.
7. **Records and Audit.** Business Associate shall make available to the U.S. Department of Health and Human Services or its agents, its internal practices, books, and records relating to the use and disclosure of PHI received from, created, or received by Business Associate on behalf of Covered Entity for the purpose of determining Covered Entity's compliance with the Confidentiality Requirements or any other health oversight agency, in a time and manner designated by the Secretary. Except to the extent prohibited by law, Business Associate agrees to notify Covered Entity immediately upon receipt by Business Associate of any and all requests

by or on behalf of any and all federal, state and local government authorities served upon Business Associate for PHI.

8. **Implementation of Security Standards; Notice of Security Incidents.** Business Associate will use appropriate safeguards to prevent the use or disclosure of PHI other than as expressly permitted under this Agreement. Business Associate will implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of the PHI that it creates, receives, maintains or transmits on behalf of Covered Entity. Business Associate acknowledges that the HITECH Act requires Business Associate to comply with 45 C.F.R. §§ 164.308, 164.310, 164.312, 164.314, and 164.316 as if Business Associate were a Covered Entity, and Business Associate agrees to comply with these provisions of the Security Standards and all additional security provisions of the HITECH Act. Furthermore, **to the extent feasible, Business Associate will use commercially reasonable efforts to** ensure that the technology safeguards used by Business Associate to secure PHI will render such PHI unusable, unreadable and indecipherable to individuals unauthorized to acquire or otherwise have access to such PHI in accordance with HHS Guidance published at 74 Federal Register 19006 (April 17, 2009), or such later regulations or guidance promulgated by HHS or issued by the National Institute for Standards and Technology (“NIST”) concerning the protection of identifiable data such as PHI. Business Associate acknowledges and agrees that the HIPAA Omnibus Rule finalized January 25, 2013 at 78 Fed. Reg. 5566 requires Business Associate to comply with new and modified obligations imposed by that rule under 45 C.F.R. §164.306, 45 C.F.R. § 164.308, 45 C.F.R. § 163.310, 45 C.F.R. § 164.312, 45 C.F.R. § 164.316, 45 C.F.R. § 164.502, 45 C.F.R. § 164.504. Lastly, Business Associate will promptly report to Covered Entity any successful Security Incident of which it becomes aware. At the request of Covered Entity, Business Associate shall identify: the date of the Security Incident, the scope of the Security Incident, the Business Associate’s response to the Security Incident and the identification of the party responsible for causing the Security Incident, if known. Business Associate and Covered Entity shall take reasonable measures to ensure the availability of all affirmative defenses under the HITECH Act, HIPAA, and other state and federal laws and regulations governing PHI and EPHI.

9. **Data Breach Notification and Mitigation.**
 - A. **HIPAA Data Breach Notification and Mitigation.** Business Associate agrees to implement reasonable systems for the discovery and prompt reporting of any “breach” of “unsecured PHI” as those terms are defined by 45 C.F.R. §164.402 (hereinafter a “HIPAA Breach”). The parties acknowledge and agree that 45 C.F.R. §164.404, as described below in this Section 9.1, governs the determination of the date of a HIPAA Breach. In the event of any conflict between this Section 9.1 and the Confidentiality Requirements, the more stringent requirements shall govern. Business Associate will, following the discovery of a HIPAA Breach, notify Covered Entity immediately and in no event later than three (3) business days after Business Associate discovers such HIPAA Breach, unless Business Associate is prevented from doing so by 45 C.F.R. §164.412 concerning law enforcement investigations. For purposes of reporting a HIPAA Breach to Covered Entity, the discovery of a HIPAA Breach shall occur as of the first day on which such HIPAA Breach is known to the Business Associate or, by exercising reasonable diligence, would have been known to the Business Associate. Business Associate will be considered to have had knowledge of a HIPAA Breach if the HIPAA Breach is known, or

by exercising reasonable diligence would have been known, to any person (other than the person committing the HIPAA Breach) who is an employee, officer or other agent of the Business Associate. No later than seven (7) business days following a HIPAA Breach, Business Associate shall provide Covered Entity with sufficient information to permit Covered Entity to comply with the HIPAA Breach notification requirements set forth at 45 C.F.R. §164.400 *et seq.* Specifically, if the following information is known to (or can be reasonably obtained by) the Business Associate, Business Associate will provide Covered Entity with: (i) contact information for individuals who were or who may have been impacted by the HIPAA Breach (e.g., first and last name, mailing address, street address, phone number, email address); (ii) a brief description of the circumstances of the HIPAA Breach, including the date of the HIPAA Breach and date of discovery; (iii) a description of the types of unsecured PHI involved in the HIPAA Breach (e.g., names, social security number, date of birth, address(es), account numbers of any type, disability codes, diagnostic and/or billing codes and similar information); (iv) a brief description of what the Business Associate has done or is doing to investigate the HIPAA Breach, mitigate harm to the individual impacted by the HIPAA Breach, and protect against future HIPAA Breaches; and (v) appoint a liaison and provide contact information for same so that the Covered Entity may ask questions or learn additional information concerning the HIPAA Breach. Following a HIPAA Breach, Business Associate will have a continuing duty to inform Covered Entity of new information learned by Business Associate regarding the HIPAA Breach, including but not limited to the information described in items (i) through (v), above.

- B. Data Breach Notification and Mitigation Under Other Laws. In addition to the requirements of Section 9.1, Business Associate agrees to implement reasonable systems for the discovery and prompt reporting of any breach of individually identifiable information (including but not limited to PHI, and referred to hereinafter as “Individually Identifiable Information”) that, if misused, disclosed, lost or stolen, Covered Entity believes would trigger an obligation under one or more State data breach notification laws (each a “State Breach”) to notify the individuals who are the subject of the information. Business Associate agrees that in the event any Individually Identifiable Information is lost, stolen, used or disclosed in violation of one or more State data breach notification laws, Business Associate shall promptly: (i) cooperate and assist Covered Entity with any investigation into any State Breach or alleged State Breach; (ii) cooperate and assist Covered Entity with any investigation into any State Breach or alleged State Breach conducted by any State Attorney General or State Consumer Affairs Department (or their respective agents); (iii) comply with Covered Entity’s determinations regarding Covered Entity’s and Business Associate’s obligations to mitigate to the extent practicable any potential harm to the individuals impacted by the State Breach; and (iv) assist with the implementation of any decision by Covered Entity or any State agency, including any State Attorney General or State Consumer Affairs Department (or their respective agents), to notify individuals impacted or potentially impacted by a State Breach.
- C. Breach Indemnification. Business Associate shall indemnify, defend and hold Covered Entity and its officers, directors, employees, agents, successors and assigns harmless, from and against all reasonable losses, claims, actions, demands, liabilities, damages, costs and expenses (including costs of judgments, settlements, court costs and

reasonable attorneys' fees actually incurred) (collectively, "Information Disclosure Claims") arising from or related to: (i) the use or disclosure of Individually Identifiable Information (including PHI) by Business Associate in violation of the terms of this Agreement or applicable law, and (ii) whether in oral, paper or electronic media, any HIPAA Breach of unsecured PHI and/or State Breach of Individually Identifiable Information by Business Associate. If Business Associate assumes the defense of an Information Disclosure Claim, Covered Entity shall have the right, at its expense and without indemnification notwithstanding the previous sentence, to participate in the defense of such Information Disclosure Claim. Business Associate shall not take any final action with respect to any Information Disclosure Claim without the prior written consent of Covered Entity. Covered Entity likewise shall not take any final action with respect to any Information Disclosure Claim without the prior written consent of Business Associate. To the extent permitted by law and except when caused by an act of Covered Entity or resulting from a disclosure to a Recipient required or directed by Covered Entity to receive the information, Business Associate shall be fully liable to Covered Entity for any acts, failures or omissions of Recipients in furnishing the services as if they were the Business Associate's own acts, failures or omissions.

- A. **If Client is a Governmental Entity the following clause does not apply:** Covered Entity shall indemnify, defend and hold Business Associate and its officers, directors, employees, agents, successors and assigns harmless, from and against all reasonable losses, claims, actions, demands, liabilities, damages, costs and expenses (including costs of judgments, settlements, court costs and reasonable attorneys' fees actually incurred) (collectively, "Information Disclosure Claims") arising from or related to: (i) the use or disclosure of Individually Identifiable Information (including PHI) by Covered Entity, its subcontractors, agents, or employees in violation of the terms of this Agreement or applicable law, and (ii) whether in oral, paper or electronic media, any HIPAA Breach of unsecured PHI and/or State Breach of Individually Identifiable Information by Covered Entity, its subcontractors, agents, or employees.
- B. Covered Entity and Business Associate shall seek to keep costs or expenses that the other may be liable for under this Section 9, including Information Disclosure Claims, to the minimum reasonably required to comply with the HITECH Act and HIPAA. Covered Entity and Business Associate shall timely raise all applicable affirmative defenses in the event a violation of this Agreement, or a use or disclosure of PHI or EPHI in violation of the terms of this Agreement or applicable law occurs.

10. Term and Termination.

- A. This Agreement shall commence on the Effective Date and shall remain in effect until terminated in accordance with the terms of this Section 10, provided, however, that termination shall not affect the respective obligations or rights of the parties arising under this Agreement prior to the effective date of termination, all of which shall continue in accordance with their terms.
- B. Covered Entity shall have the right to terminate this Agreement for any reason upon thirty (30) days written notice to Business Associate.

- C. Covered Entity, at its sole discretion, may immediately terminate this Agreement and shall have no further obligations to Business Associate if any of the following events shall have occurred and be continuing:
 - A. Business Associate fails to observe or perform any material covenant or obligation contained in this Agreement for ten (10) days after written notice thereof has been given to the Business Associate by Covered Entity; or
 - B. A violation by the Business Associate of any provision of the Confidentiality Requirements or other applicable federal or state privacy law relating to the obligations of the Business Associate under this Agreement.
 - D. Termination of this Agreement for either of the two reasons set forth in Section 10.c above shall be cause for Covered Entity to immediately terminate for cause any Business Arrangement pursuant to which Business Associate is entitled to receive PHI from Covered Entity.
 - E. Upon the termination of all Business Arrangements, either Party may terminate this Agreement by providing written notice to the other Party.
 - F. Upon termination of this Agreement for any reason, Business Associate agrees either to return to Covered Entity or to destroy all PHI received from Covered Entity or otherwise through the performance of services for Covered Entity, that is in the possession or control of Business Associate or its agents. In the case of PHI which is not feasible to “return or destroy,” Business Associate shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. Business Associate further agrees to comply with other applicable state or federal law, which may require a specific period of retention, redaction, or other treatment of such PHI.
11. **No Warranty.** PHI IS PROVIDED TO BUSINESS ASSOCIATE SOLELY ON AN “AS IS” BASIS. COVERED ENTITY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, AND FITNESS FOR A PARTICULAR PURPOSE.
12. **Ineligible Persons.** Business Associate represents and warrants to Covered Entity that Business Associate (i) is not currently excluded, debarred, or otherwise ineligible to participate in any federal health care program as defined in 42 U.S.C. Section 1320a-7b(f) (“the Federal Healthcare Programs”); (ii) has not been convicted of a criminal offense related to the provision of health care items or services and not yet been excluded, debarred, or otherwise declared ineligible to participate in the Federal Healthcare Programs, and (iii) is not under investigation or otherwise aware of any circumstances which may result in Business Associate being excluded from participation in the Federal Healthcare Programs. This shall be an ongoing representation and warranty during the term of this Agreement, and Business Associate shall immediately notify Covered Entity of any change in the status of the representations and warranty set forth in this section. Any breach of this section shall give Covered Entity the right to terminate this Agreement immediately for cause.

13. Miscellaneous.
