Job Description

ESSENTIAL DUTIES, FUNCTIONS AND RESPONSIBILITIES

- Responds to alarms as incident commander and ensures that pertinent priorities, strategies, and tactics are performed in an effective, efficient manner by assigned companies.
- Supervises all Firefighter I, II, Engineer I, II and Apprentice Firefighter positions under the direction of the Chief and Deputy Chief.
- Performs and supervises firefighting activities including driving all fire apparatus, operating pumps, and related equipment, laying hose, and performing fire suppression and containment tasks.
- Responds to medical emergency calls as dispatched and ensures scene safety and determines scene priorities.
- Identifies training needs and assists in developing classes and drills to meet these needs.
- Participates in fire drills, attends classes in firefighting, emergency medical, hazardous materials, and related subjects.
- Participates in the preplan and inspection of buildings, the inspection of hydrants, and other fire suppression systems as required.
- Supervises all assigned work to be certain that companies follow all safety measures and standard operational procedures.
- Provides training to assigned personnel and/or companies in OSHA, NFPA and NSFD safety standards and operational procedures.
- Maintains firefighting equipment, apparatus, and facilities. Performs minor repairs to district equipment.
- Presents programs to the community on safety, medical, and fire prevention topics.
- Participates in physical fitness activities to maintain the capacity for sustained physical exertion.
- Performs other job-related duties as required by the NSFD administration.
- Assists in other supervisory and administrative activities as assigned.
- All duties and responsibilities designated by NSFD Fire Chief or his administration.

NOTE:

The qualifications above may be substituted with an equivalent combination of education and experience in the Fire Service. The examples of duties are intended only as illustrations of the various types of work performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position. The job description does not constitute an employment agreement between the employer and the employee and is subject to change by the employer as the needs of the employer and requirements of the job change. Veterans will receive preference points in testing according to the NSFD Personnel Policy

To apply submit applications and required documents to bnielson@northsummitfire.org prior to the closing date and time listed above. Any incomplete or unsigned applications will not be accepted.
